RECEIVED BY THE COMMISSIONER FOR PATENTS  
HONORABLE SIR: RESPONSE TO THE OFFICE ACTION DATED 06/19/07

Reconsideration of the above-identified application is respectfully requested in light of the following remarks.

REMARKS

The courtesy of the Examiner in granting the undersigned attorney a personal interview on June 19, 2007 is gratefully acknowledged. During that interview, the pending claims were discussed in light of the Arthurs and Michael references. It was agreed that the applicants may submit further evidence to show that basalt and glass fibers were not considered equivalents. It was also agreed that the applicants may consider amending the claims to further define the structure of the claimed invention
